Index to Volume 13: Subject

Abuse; *see* Violence

Access to health care; *see* Health services accessibility

Acquired immunodeficiency syndrome
- Girl talk: development of an intervention for prevention of HIV/AIDS and other sexually transmitted diseases in adolescent females (Guthrie et al) 318
- Latino women and AIDS risk (Peragallo) 217

ACTION
- ACTION: application and extension of the GENESIS community analysis model (Russell et al) 187

Adolescence
- Female adolescent contraceptive use or nonuse at first and most recent coitus (Felton) 223
- Girl talk: development of an intervention for prevention of HIV/AIDS and other sexually transmitted diseases in adolescent females (Guthrie et al) 318
- Rural sex education: assessment of programs and interagency collaboration (Polivka) 425

Adult day care; *see* Day care, adult

African Americans
- The relationship of perceived benefits of and barriers to reported exercise in older African American women (Jones and Nies) 151
- Social support as road map and vehicle: an analysis of data from focus group interviews with a group of African American women (Di Martile Bolla et al) 331

Aged
- Clarification of the constructs of satisfaction and dissatisfaction with home care (Forbes) 377
- Community-based service use among the young, middle, and old old (Wallace and Hirst) 286
- Correlates of participation in adult day care and quality of life in ambulatory frail elderly in Japan (Hashizume and Kanagawa) 404
- The effects of community differences on health status, health stress, and helping networks in a sample of 900 elderly (Preston and Bucher) 72
- Health and social support among older women in congregate housing (Lough and Schank) 434
- Older adults' experience of health promotion: a theory for nursing practice (Frenn) 65
- Profile of postdischarge rehospitalizations and acute care visits for seven patient groups (Brooten et al) 128
- The relationship of perceived benefits of and barriers to reported exercise in older African American women (Jones and Nies) 151
- Social support and knowledge level of the older adult homebound person with diabetes (Zink) 253

AIDS; *see* Acquired immunodeficiency syndrome

American Public Health Association
- Editorial (Graham and Shamansky) 375
- New definitions (Wallinder et al) 81 (Editorial)

Assessment of needs; *see* Health services needs and demands

Battered women; *see* Domestic violence

Cardiac surgery; *see* Heart surgery

Care coordination
- Issues inherent in measuring the impact of care coordination on pregnancy outcomes (Bradley and Martin) 276

Case management
- Building castles and providing foundations (Graham and Shamansky) 1 (Editorial)
- Use of community resources by prenatal case managers (Issel) 3

Cervix neoplasms
- Walking the journey of womanhood: Yakama Indian women and papanicolaou (Pap) test screening (Strickland et al) 141

Cesarean section
- Profile of postdischarge rehospitalizations and acute care visits for seven patient groups (Brooten et al) 128

Child
- Enhancing the role public health nurses play in serving children with special health needs: an interactive videoconference on Public Law 99-457 Part H (Reiss et al) 345

Child abuse
- Nurses' diagnostic work on possible physical child abuse (O'Toole et al) 337

Clinical medicine
- Aggregate/community-centered undergraduate community health nursing clinical experience (Flick et al) 36

College
- Collaboration between communities and universities: completion of a community needs assessment (Kulig and Wilde) 112
- Health promotion needs of students in a college environment (Fish and Nies) 104

Community health aides
- Characteristics of clients who receive home health aide service (Hays and Willborn) 58

Community health nursing; *see* Public health nursing

Community health resources; *see* Health resources

Community health services, utilization
- Community-based service use among the young, middle, and old old (Wallace and Hirst) 286

Congregate housing
- Health and social support among older women in congregate housing (Lough and Schank) 434

Contraception
- Female adolescent contraceptive use or nonuse at first and most recent coitus (Felton) 223

Costs and cost analysis
- Managed care and public health: building a partnership (Beery et al) 305

Counseling
- Effectiveness of counseling in the health promotion of HIV-positive clients in the community (DiScenza et al) 209

Cross-training
- A future reality? (Rubadue) 303 (Editorial)

Daily symptoms; *see* Signs and symptoms

Data collection
- Focus groups: collecting aggregate-level data to understand community health phenomena (Stevens) 170

Index to Volume 13: Subject

Data collection
- Focus groups: collecting aggregate-level data to understand community health phenomena (Stevens) 170

Survey data collection: operationalizing the research design (Hildebrandt) 135
Day care, adult
Correlates of participation in adult day care and quality of life in ambulatory frail elderly in Japan (Hashizume and Kanagawa) 404
Definitions
New definitions (Wallinder et al) 81 (Editorial)
Diabetes
Social support and knowledge level of the older adult homebound person with diabetes (Zink) 253
Diagnosis, nursing
Nurses' diagnostic work on possible physical child abuse (O'Toole et al) 337
Disadvantaged communities; *see* **Socioeconomic factors**
Domestic violence
Clients' evaluation of health care services in a battered women's shelter (Attala and Warmington) 269
The role of public health nurses in responding to abused women (Dickson and Tutty) 263

Editorials
Editorial (Graham and Shamansky) 375
A future reality? (Rubadue) 303
New definitions (Wallinder et al) 81
Yet another treatise on managed care (Shamansky) 161
Education, nursing
Aggregate/community-centered undergraduate community health nursing clinical experience (Flick et al) 36
An instructional model for primary health care education (Davis and Pearson) 31
Empowerment strategies in nursing education: a foundation for population-focused clinical studies (Duncan) 311
A future reality? (Rubadue) 303 (Editorial)
Of Lillian Wald, community health nursing education, and health care reform (Jossens and Ferjancsik) 97
Education, special
Enhancing the role public health nurses play in serving children with special health needs: an interactive videoconference on Public Law 99-457 Part H (Reiss et al) 345
Education of patients; *see* **Patient education**
Efficiency
Component analysis of productivity in home care RNs (Benefield) 233
Leadership: our new challenge (Graham) 231 (Editorial)
Elderly; *see* **Aged**
Empowerment
Empowerment strategies in nursing education: a foundation for population-focused clinical studies (Duncan) 311
To pauperize or empower: public health nursing at the turn of the 20th and 21st centuries (Erickson) 163
Power and opportunity in public health nursing work environments (Haugh and Laschinger) 42
Ethnic factors
Comprehensive interdisciplinary care: making a difference in pregnancy outcomes for Hispanic women (Pearce et al) 416
Indicators of differences in immunization rates of Mexican American and white non-hispanic infants in a Medicaid managed care system (Moore et al) 21
Latino women and AIDS risk (Peragallo) 217
The relationship of perceived benefits of and barriers to reported exercise in older African American women (Jones and Nies) 151
Social support as road map and vehicle: an analysis of data from focus group interviews with a group of African American women (Di Martile Bolla et al) 331
Walking the journey of womanhood: Yakama Indian women and papanicolaou (Pap) test screening (Strickland et al) 141
Exercise
The relationship of perceived benefits of and barriers to reported exercise in older African American women (Jones and Nies) 151

Fear
Managing fear associated with nursing in urban environments: first steps (Hayes et al) 90
Focus groups; *see* **Marketing of health services**

GENESIS
ACTION: application and extension of the GENESIS community analysis model (Russell et al) 187

Handicapped
Enhancing the role public health nurses play in serving children with special health needs: an interactive videoconference on Public Law 99-457 Part H (Reiss et al) 345
Health care reform
Building castles and providing foundations (Graham and Shamansky) 1 (Editorial)
Of Lillian Wald, community health nursing education, and health care reform (Jossens and Ferjancsik) 97
Health promotion
Access to health promotion, protection, and disease prevention among impoverished individuals (Northam) 353
Effectiveness of counseling in the health promotion of HIV-positive clients in the community (DiScenza et al) 209
Empowerment strategies in nursing education: a foundation for population-focused clinical studies (Duncan) 311
